Dr. Sabrina Tschofen

Dr. Sabrina Tschofen has been working in cooperation with Seeger, Frick & Partner since 2024 as an independent practitioner and is also registered and admitted to the bar in Austria. Since 2021, she has also been registered as a notary and supplements her advisory work with public certifications and authentications.

Steadfast representation in court distinguishes her as well as does her handling of complex international civil lawsuits. Her experience as the Head of the Construction Law Department of the City of Feldkirch motivated her to strengthen her legal expertise with a background in construction engineering. She is a lecturer at BAUAkademie Vorarlberg.
