**Dr. Yannic Duller, LL.M.**

Yannic Duller has been working for our law firm since January 2026. He advises in a wide range of legal fields with a focus on civil and commercial law.

His legal expertise was particularly shaped by his several years of work as a university assistant at the Department of Civil Law at the University of Vienna. During this time, he was engaged in the academic analysis of complex issues in civil and European law and in the preparation of legal analyses and opinions. His research work is reflected in several academic publications. In addition, he gained experience as a Legal Advisor for UNESCO, where he contributed to the preparation of legal analyses and reports for international projects.
